

Subject: Representation of WARTSILA Tank Control Systems (WHESSOE products) in China

Calais, 18th of August, 2017

TO WHOM IT MAY CONCERN,

I, undersigned David Clercq, in my capacity of Sales & Business Development Manager of Wartsila France SAS, Tank Control Systems Business Unit formerly known as Whessoe SA, registered at Rue de Bitche, 62100 Calais, France, and fully authorized to so declare, herewith inform our valuable customers that our company, specialised in the design, manufacture, sales and aftersales support services of LNG tank gauging and Rollover Prevention systems for the onshore LNG terminals, FLNG and FSRU vessels, Emergency shut-off systems for the for onshore LPG storage plants, has terminated its representation partnership with the company **The Ambition Technology Limited** with principle offices at Rm2308, Tiley Central Plaza, 3rd Haide Road, Nanshan District, Shenzhen 518054 P.R.China.

With effective date of 15th of May 2016, the company **Key On Gas Equipment Ltd** with principle offices at Suites A-D, 18/F., Neich Tower, 128 Glouceter Road, Hong Kong is our only dedicated agent authorized to promote, market and service our products, to submit our bids and represent us during openings for all relevant gas storage projects built and/or engineered within the territory of Popular Republic of China.

Thanking you in anticipation of your cooperation, yours faithfully,

David Clercq
